This flyer shows the January 1, 2010-2019 population trends. It clearly displays the way the population has decreased over the last decade. It shows how the offense types has changed over the last decade as well. By viewing the offense types you can see the 8% decrease in Drug Offenses meanwhile, the person offenses have increased by 9%. Over the last decade the total population of the population has decreased by 23% since 2010. It is clear from the Inmate Type chart, you can see that this decrease is reflected throughout all three types in the MA DOC, Criminal, Pre-Trial, and Civil.
